Personal Statement:

I am currently studying Plumbing and Gas Fitting - Level 3 programme at the Eastern Institute of Technology in Taradale, Napier. I am seeking an apprenticeship in the plumbing and gas fitting industry and to ultimately become a qualified tradesman.

Out of work I enjoy playing sports including rugby, currently playing for Taradale Club. I also play Touch for the Napier Technical Club. I am a motivated person who can communicate with people from all walks of life.

Skills and Abilities:

Knowledge of the following:-

- Hot water supply systems
- Portable cold water supply systems
- Sanitary appliances
- Welding and brazing, sheet metal & roof work for plumbing
- Gas appliances and devices
- Good understanding and ability to apply gas and combustion theory in practice

People & Organisational

- Confident and outgoing; able to relate to a cross section of people and build relations with staff and clients
- Listen and follow instructions, work independently and with others
- Responsible and trustworthy
- Able to prioritise and work flexibly
- Keen to learn and develop in the industry

Work History:
