### Reform of Vocational Education (ROVE)

In February, the government announced a proposal to merge New Zealand's Institutes of Technology and Polytechs into a single national body. It's caused some uncertainty. EIT has been and always will be a strong anchor for this region.

EIT is a Category 1 tertiary provider, having been ranked by NZQA as highly confident in both

### Kia Kaha Te Reo Māori

Te wiki o te Reo Māori is from 9 – 15 September this year. To celebrate EIT will be having student events. Keep an eye out on Facebook and Instagram to see what is happening.

The theme will be 'Kia Kaha te Reo Māori' following on from the success of last year. 'Kia Kaha' is well known in New Zealand English with its correct Māori meaning of 'be strong'. We often talk about languages as if they are people

education performance and self-assessment. This is the highest recognition they can award – it's like an A+.

And we're excited about our latest educational performance indicators – they're the strongest ever results for EIT. Last year we had a record 10,000 students – and this year looks strong too.

We can assure you EIT will continue to provide high quality education and training.

– talking about language health, strength and revitalisation.

So when we say 'Kia Kaha te Reo Māori' we're saying -'Let's make the Māori language strong'.

'He mauri te reo Māori nō Aotearoa māu, mā tātou katoa'

'Make te reo Māori an essential part of New Zealand for you, for us all.'
