

POSTGRADUATE NURSING AND HEALTH SCIENCE PROGRAMMES 2023

Please find enclosed enrolment information for our postgraduate courses offered in 2023. The following website link will take you to the programme timetable, showing in which semester each course is offered, and whether there are any compulsory on-campus study days that are applicable:

► 2023 Timetable : <https://www2.eit.ac.nz/library/Documents/PGNTimetable2023.pdf>

The majority of courses are offered in an online delivery mode, meaning there will be no requirement for you to physically attend an on-campus class. Other courses are available through flexible (blended/online) delivery, meaning that some of the courses do require you to attend on-campus workshops. Unless specified, on-campus, face-to-face classes are held at the EIT | Te Pūkenga Hawke's Bay Campus and the rest of your learning is carried out online. You will be notified of dates and venues prior to the commencement of your course.

Please note, for your study purposes, each 30 credit course requires 56 contact hours (i.e. equivalent to eight study days of release time). Registered nurse applicants are strongly advised to refer to their local Te Whatu Ora Postgraduate Funding Coordinator, should they require information about Health Workforce postgraduate nursing education funding.

For those of you who are new to online study, we will be offering an "Orientation to Online Learning", which will be held online. Participation is highly recommended. Please note that enrolling in a postgraduate course with an online component assumes that you have at least some basic computer knowledge and skills. The Orientation involves a combination of self-directed activities and various zoom sessions. You will be notified of dates and further details prior to the start of the semester.

Please refer to the previous page for enrolment close-off dates.

Applying for Academic Credit: There is a separate application for this.

New Students: It may be possible for us to consider credit of previous formal postgraduate study from another institution, or some Recognition of Prior Learning. Please request an application pack from us.

EIT | Te Pūkenga Returning Students: If you have previously completed a postgraduate health science qualification at EIT | Te Pūkenga and are progressing onto further study after a period of five years or more, you may wish to apply for credit. We recommend that you do this at time of enrolment into the new programme. Please request an application pack from us.

Existing EIT | Te Pūkenga students who have progressed onto further study after a break of fewer than five years are not required to apply.

If you have any queries, please do not hesitate to contact Stacey Wong, Postgraduate Programmes Administrator on 06 8301507, or email swong@eit.ac.nz.
