Kia ora,

We're writing to advise of a change to the compulsory workshop dates for **MN8.401 Advanced Clinical Assessment and Diagnostic Reasoning**, starting Semester 2 on **21 July 2025**.

The original dates published in the course selection were incorrect. The workshops have now been rescheduled and will take place a few weeks into the semester. The **new dates and times** are:

- **Wednesday, 13 August** – 0900 – 1600hrs
- **Thursday, 14 August** – 0900 – 1500hrs
- **Location:** F103N Nursing Practice Suite

Please update your calendar accordingly.

A reminder and further information about accessing the online course site will be emailed to you closer to the start of the semester.

Let us know if you have any questions.

Kind regards,
Stacey
