IMPORTANT NOTES

Blended delivery indicates that face to face sessions may be held on campus regularly or by block course. Online delivery may be web-based or through video conferencing. You will be notified of contact dates and venues prior to your course commencing.

For postgraduate funding and study purposes, each 30 credit course requires 56 contact hours (i.e. equivalent to 8 study days of professional development release time).

INTERNATIONAL STUDENTS will be advised separately of regularly scheduled face-to-face tutorials. Course fees listed here and delivery method relate to Domestic students only

Courses offered are subject to sufficient numbers enrolling and staff availability. Please check with the Programme Administrator for more details. TBC=to be confirmed.
