May 2019

Kia ora

Welcome to EIT Tairāwhiti. Welcome back to our second term of 2019. Whether you are a returning student or a new student we have lots happening on campus for you.

Don't forget to follow us on Facebook and Instagram.

Ngā manaakitanga

Student Support Services, Tairāwhiti

## New Learning Advisor on campus

Basil Morgan

E | [bmorgan@eit.ac.nz](mailto:bmorgan@eit.ac.nz)

Phone | 06 8693183

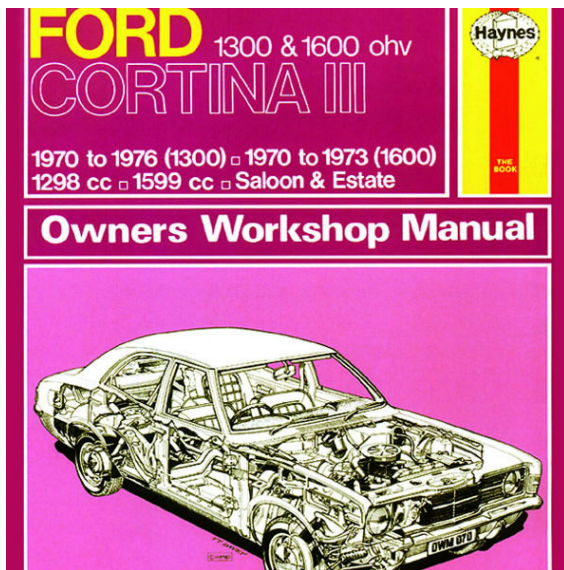

Office | PR112 (R Block)

Tena koutou e te whānau, my main role as a Learning Advisor will be to provide learning support that enhances the learning outcomes for all EIT students, from certificate through to post graduate level. I am looking forward to meeting and supporting students at our main Tairāwhiti campus, Rural Studies and also in the Regional Learning Centres.

I have worked in Māori medium education for the last 15 years at primary, secondary and tertiary levels. I encourage all students to use the support services available at EIT to help them achieve their education and learning goals. Mauriora.

Ko te manu e kai ana i te miro, nōna te ngahere.  
Ko te manu e kai ana i te mātauranga, nōna te ao.

He who partakes of the miro berry, his is the forest. He who engages in education, his is the world, his opportunities are boundless.

## New Car and Motorcycle Manual Database

EIT has purchased a subscription to the [Haynes Car & Motorcycle Repair Manuals](#) for all of our mechanical and automotive engineering programmes. These online manuals cover a range of popular makes and models, with up-to-date content including common repairs, routine maintenance and servicing procedures.

You can find the [Haynes Car & Motorcycle Repair Manuals](#) on the Library Databases page.

## Tairāwhiti Graduation

Graduation is always a wonderful event. A time for students to reflect, celebrate and enjoy their success with family and friends.

Congratulations to all our graduates who crossed the stage on Friday 3 May.

Check out the photos and video on our [Facebook page](#).

## Pink Shirt Day

Pink Shirt Day is a national bullying prevention campaign run by the Mental Health Foundation of New Zealand since 2012. Pink Shirt Day began in Canada in 2007 when two students took a stand against homophobic bullying after a new student was bullied for wearing pink.

## Sustainability at EIT

A shout out to The Hub Café for moving into packaging and serving containers that are environmentally friendly. Additional to the corn starch cutlery, they have recently obtained single serve bowls and lids that are biodegradable and compostable.

Wherever you may be on Friday, show your support for this cause by wearing your pinkest shirt.

EIT is opposed to any form of unacceptable behaviour so if you feel you have experienced any form of harassment please seek help promptly. Details of the [Harassment Contact Network](#) can be found on MyEIT.

EIT is committed to sustainability and the reduction of our carbon footprint.

Join our "Sustainability at EIT" [Facebook page](#). Share your thoughts, experiences and ideas about sustainability.

**INFORMATION & ENROLMENT EVENING**

Interested in studying but not sure what programme is right for you? Come and talk to us about your future study options and get info about scholarships.

**Thursday, 13 June, 5-6.30pm**  
Maia Gallery, 80 Cobden St Toihoukura

## Information and enrolment evening

Come and see what is on offer for the remainder of 2019 or moving into 2020. Bring your family and friends and see if EIT has something they are looking for. If you are already on a career pathway then this will be a good opportunity to come and meet the tutors and lecturers.

For more information
